Food Vendors info pack.

What is DTI?

DTI (Dreaming the Impossible) is a Christian youth conference aimed at young people aged 12-18. DTI runs at Staffordshire showground from the 31st July to the 5th August 2021 and will have up to 5000 people attending.

The Food Court

We have a food court at DTI where the young people and team can buy food throughout the week. Typically each youth group would cook their own meals on the campsite and use the food court for buying extra food throughout the week. We aim to have 6-8 food vans onsite offering a range of food and cuisines. As DTI is for young people we aim to keep costs as low as possible to make the food court available to them all.

Is there an application deadline?

All food vendors need to have applied by the 30th April 2021.

Environmental Impact

At DTI we recognise the impact that waste generated from mass gatherings can have on the environment. We therefore maintain a policy of minimum waste across our site, and aim to run a plastic free event. We ask that food vendors do not sell drinks in plastic bottles, instead, we ask that only biodegradable plates, cups and cutlery are used for serving food and drink.

Accommodation

We are able to accommodate food vendors and their staff on the campsite for free. You will just need to bring a tent.
