

# KIT LIST

## Shared area

- Marquee/gazebo/shared area for eating together. Please bear in mind that other groups will be sharing your village so you won't be able to spread out too much!
- Camping chairs
- Folding tables
- Solar powered or electric lanterns – please don't use gas inside tents!

## Tents & sleeping

Tents should be fully waterproof and sturdy, able to withstand the glorious British summer weather! This means an in-tact, attached ground sheet and waterproof lining. Avoid flimsy pop-up tents designed for one use at festivals - they give in to the wind and rain very quickly!

- Tent for female leaders
- Tent for male leaders
- Tents for male youth
- Tents for female youth
- Sleeping bags (bring a few spares and keep them in the car!)
- Roll mats/camping bed/air bed to sleep on
- Tent pegs (bring spares!)
- Rope/guide rope (for weather proofing tents if windy)
- Mallets
